Gentlemen:

RE: Utah State Mineral Lease ML 43972, Metalliferous Minerals

In reviewing your mining and reclamation plan, I find that the lands covered by the notice, T6S, R21E, Sec. 32, Lot 5 are not covered by your State lease, and the notice was not signed.

I am returning the plan and recommend that you sign it and refile the forms with the Division of Oil, Gas, and Mining. In the meantime, I will forward a copy of the unsigned notice to Mr. Holland Shepard of the Division of Oil, Gas, and Mining.

Sincerely,

JERRY W. MANSFIELD
